

Cristina Wigg

Parent Governor

My name is Cristina Wigg, I am a mother of three children who all attend Brunton First School. Alexia is in Year 4, Baxter in Year 2 and Maximo who has recently started Reception.

The school is at the heart of our community and I feel very fortunate that my children have had the opportunity to experience such an enriched curriculum, with fantastic facilities, right on our doorstep. As well as this, there is continuous support, love and care from all of the staff to ensure that our children achieve their best.

As a parent, I couldn't ask for more.

I have previously worked within education for 13 years, as a Primary School teacher and as a Deputy Headteacher.

My role within primary schools has enabled me to experience first-hand, the importance of working together as a school and community to create an environment where all children have the opportunity to reach their full potential.

Through my role as Parent Governor, I know that Brunton First School works hard to achieve this.

I serve on the Curriculum and Performance Committee as well as being link Governor to Literacy and ICT.

This role has allowed me to gain an insight into the hard work and determination provided by Mrs McKay and her team, to ensure our children are safe and happy.
